Mathematical Methods in Economics

Dear colleagues,

We warmly invite you to the 41st International Conference on Mathematical Methods in Economics (MME 2023) to be held on September 13–15, 2023 in Prague. It is a traditional meeting of professionals from universities and businesses interested in the theory and applications of operations research and econometrics. This year it is hosted by the Faculty of Informatics and Statistics, Prague University of Economics and Business.

Scope of the Conference

- Operations research
- Econometrics
- Multiple criteria decision making, decision support systems
- Quantitative management methods
- Interval systems
- Simulation
- Mathematical modelling
- Process optimization
- Financial modelling

Important Dates

February 15	Submission opening
April 17	Abstract submission deadline
April 30	Notification of abstract acceptance
May 1	Registration opening
May 15	Full paper submission deadline
June 19	Notification of full paper acceptance
